TERMS OF SERVICE

AnChain.ai's product service is a best-efforts smart contract auditing service. The auditing report may contain false positives and false negatives, and should be only used as a recommendation for code improvement. We accept only legal pieces of code. All entries are logged for research and improvement of service. AnChain.ai does not warrant any rights or service levels, nor does it acquire any rights on the code entered. U.S. law is applicable. The place of jurisdiction is California, United States of America. By sending code to AnChain.ai, you warrant that all your entries are in your sole responsibility and you do not infringe any laws or third-party rights like copyrights and the like. AnChain.ai and its employees shall not be liable for any entries and for any damages resulting thereof. You agree to indemnify, defend and hold them harmless from any legal or financial demands or arising out of the breach of these terms of use, especially from third-party claims regarding infringement of copyrights and the like.
